***Players who are returning from the spring workouts receive \$25 off registration.**

**Future Stars Clinic:
(6 weeks for \$250/12 weeks for \$475)
90 minute sessions**

The Future Stars workout clinic is for the little league player looking to develop his skills with live baseball training. The six week package includes all aspects of baseball skills such as pitching, base running, infield, outfield, and hitting.

**Private Clinics:
(6 weeks for \$175/ 12 weeks for \$300)
60 minute sessions**

This private workout is for a small group of players (3 – 8) who want to have their own personalized workout clinic. We will keep an instructor-to-student ratio of 4:1. The program was developed for groups and friends who want to train together. We recommend however, to receive the most out of the clinic, that the skill level for each player is close to the same ability.

**Middle School Training:
(6 weeks for \$250/10 weeks for \$400)
90 minute sessions**

This program prepares sixth, seventh, and eighth graders for their middle school season. Players will be trained to adjust to the professional field dimensions. The focus will be leading, stealing, pitching from 60 feet, and the minus 3 bat differential.

**Agility & Speed Training (AST):
(6 weeks for \$100)
60 minute sessions with emphasis on agility, speed, quickness, & coordination**

This one hour class focuses on developing foundational strength to

enhance players ability to be in the best possible baseball shape going into the season so that our players can be mentally and physically ready for success.

Team Workouts:-90 minute sessions (six week program \$240 a player)

This is perfect for teams getting ready for the 2009 season. Teams will have one practice session a week with professional instructors. They will practice and develop skills needed to be successful on the field. Minimum of eight players required.(call for time slots)
